B. Providers

B1. Key terms

A health care team may consist of the member, the member's family/caregiver and qualified professionals including if appropriate, the primary care provider, specialists, and other providers, as applicable, designed to effectively meet the member's needs. Your health care team will provide care management services to you after your enrollment in the plan. Your health care team will work with you to promote your ability to live independently, and the team will work to coordinate your full set of Medicare and Medicaid benefits including medical, behavioral, long-term care and social needs.

This section explains key terms in our *Provider and Pharmacy Directory*.

Providers are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.

- The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
- Providers that are a part of our plan's network are called network providers.

Network providers are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us for care they give you. When you use a network provider, you usually pay only your share of the cost for covered services.

A **Primary Care Provider** (PCP) is a health care professional, primary care clinic, a federally qualified health center or a rural health care center who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time.

Specialists are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart conditions.
- Orthopedists care for patients with certain bone, joint, or muscle conditions.

All female members are allowed to self-refer to certified nurse midwives (CNMs), obstetricians and gynecologists on the UnitedHealthcare Community Plan provider panel. In addition, female members are also allowed to self-refer to women's health specialists on the UnitedHealthcare Community Plan panel for routine and preventative health care services if their PCP is not a women's health specialist. For a list of women's health specialists on UnitedHealthcare Community Plan's panel please call Member Services at 1-800-895-2017 (TTY: 711), 8 a.m. - 8 p.m., local time, Monday - Friday (voicemail available 24 hours a day, 7 days a week).

The following providers can be seen on a self-referral basis:

- Qualified Family Planning Providers (QFPPs)
- Federally Qualified Health Centers (FQHCs)/Rural Health Clinics (RHCs).

If you have questions, please call UnitedHealthcare Connected® for MyCare Ohio at 1-877-542-9236, TTY 711, 8 a.m. - 8 p.m., local time, Monday - Friday (voicemail available 24 hours a day/7 days a week). If you need to speak to your care manager, please call 1-800-542-8630, 24 hours/7 days a week. These calls are free. **For more information**, visit MyUHC.com/CommunityPlan.

You also have access to a care manager and a care team that you choose. Your PCP will work closely with your care manager and care team.

- Your **care manager** helps you manage all your providers and services. They work with your care team to make sure you get the care you need.
- Your **care team** includes your doctor, other providers, caregivers, and your care manager. Everyone on the care team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

immediately for urgently needed services or an emergency;

within 7 days for services that are not an emergency or urgently needed, but you require medical attention; or

within 30 days for routine and preventative care.

B3. Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you will need to choose a Primary Care Provider, or PCP. If you do not choose a PCP, we will assign one to you.

To choose a PCP, use the list of providers in section D and:

choose a provider that you use now, **or**

choose a provider who has been recommended by someone you trust, **or**

choose a provider whose offices are easy for you to get to.

If you want help in choosing a PCP, please call Member Services at 1-877-542-9236, 8 a.m. - 8 p.m., local time, Monday - Friday (voicemail available 24 hours a day, 7 days a week). TTY users should call 711. The call is free. Or, visit MyUHC.com/CommunityPlan.

The exceptions to this rule are when you need long-term nursing home care, urgent or emergency care, or dialysis and cannot get to a provider in the plan, such as when you are away from home. Also, for a specific period of time after your enrollment with UnitedHealthcare Connected® for MyCare Ohio, you can use your out-of-network physicians and other service providers, including nursing homes and assisted living providers, home health nurses, aides and LTSS or “waiver services” providers. Members must qualify for these services as they are not available to all plan members.

You can also go outside the plan if UnitedHealthcare Connected® for MyCare Ohio gives you permission first. Call Member Services to ask for the use of providers outside of our network, so we can make arrangements for you.

You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. If you want to change your primary care provider (PCP), call Member Services at 1-877-542-9236. Members can change their PCP monthly. Change requests made within the first month of membership will be effective the date of the request. If you request a PCP change after your first month of membership, the change will be effective on the first day of the next month. You will receive a new membership ID card that shows your new PCP name and phone number.

UnitedHealthcare Connected® for MyCare Ohio works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.

If you need to use a provider and are not sure if they offer the accommodations you need, UnitedHealthcare Connected® for MyCare Ohio can help you. Talk to your care manager for assistance.

Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.

Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.

Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.

You are not required to continue using the same pharmacy to fill your prescriptions.

C2. Long-term supplies of prescriptions

Mail-Order Programs. We offer a mail-order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home. A 31-day supply has the same copay as a one-month supply.

90-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs. **A 31-day supply has the same copay as a one-month supply.**

UnitedHealthcare Connected® for MyCare Ohio network pharmacies

Network pharmacy providers in your area are listed in the following sections of this Directory. To find a pharmacy using this Directory, turn to the Table of Contents and see where each section begins. Go to the pharmacy section and locate the city you live in. Under each city you will find a list of pharmacies in alphabetical order.

Mail-order pharmacy(ies)

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Optum® Home Delivery Pharmacy. Optum Home Delivery Pharmacy, is a service available through Optum Rx and provided by your plan. Prescription orders sent directly from your doctor must have your approval before we can send your medications. This includes new prescriptions and prescriptions refills. We will contact you, by phone, to get your approval. If we are unable to reach you for approval, your prescription will not be sent to you.

You also have the choice to sign up for automated mail order delivery through our Optum Home Delivery Pharmacy. Typically, you should expect to get your prescription drugs from 4 to 6 days from the time that the mail order pharmacy gets the order. If you do not get your prescription drug(s) within this time, if you would like to cancel an automatic order, or if you need to ask for a refund for prescriptions you got that you did not want or need, please contact us at 1-877-542-9236. TTY: 711. To learn more about mail order pharmacies, refer to Chapter 5 of the *Member Handbook*.
