How do I pick a Primary Care Provider?

Call Member Services for help in choosing a PCP. All members of UnitedHealthcare Community Plan must pick a PCP.

You can also request a UnitedHealthcare Community Plan Provider Directory by calling Member Services at **1-888-887-9003,** or you can look online at **UHCCommunityPlan.com.**

Can a clinic be my Primary Care Provider?

Your PCP can be a doctor, a clinic, a Rural Health Center (RHC) or a Federally Qualified Health Center (FQHC). If you go to a doctor you like, you can keep going to that doctor if he or she is in the UnitedHealthcare Community Plan network.

If your doctor is a specialist, he or she might be allowed to be your PCP. If your doctor is NOT in the UnitedHealthcare Community Plan network, please call Member Services to select a PCP. If you do not pick a doctor, one will be assigned for you. UnitedHealthcare Community Plan will send you a UnitedHealthcare Community Plan ID card with your PCP's name and phone number.

What if I choose to go to another doctor who is not my Primary Care Provider?

Except in emergencies, always call your PCP before you go to another doctor or the hospital. You can reach your PCP or back-up doctor 24 hours a day, seven days a week. If you go to another doctor who is not your PCP, you may need to pay the bill.

How do I know who pays?

- If you have Medicaid and go to a Medicaid doctor, you do not have to pay the deductible or copay
- If you have Medicaid, but don't go to a Medicaid doctor, you must pay the deductible and copay, if required

What if I have another insurance?

- You can select a provider of your choice that is in network with your primary coverage, however, if that provider is not enrolled in Medicaid, you would be responsible for copays and deductibles

Please contact us at **1-888-887-9003,** TDD/TTY: **7-1-1** if you need assistance locating a provider that accepts all of your insurance coverage.

Questions about seeing a provider?

Call Member Services toll-free at **1-888-887-9003.**

Can I stay with my provider if they are not with my health plan?

You should try to choose a PCP that is in your health plan's Provider Network. Please contact Member Services if you need help.

How can I change my Primary Care Provider?

It is good to stay with the same PCP. Your PCP knows you, has your medical records, and knows what medications you take. Your PCP is the best person to make sure you are getting good medical care. Call Member Services to tell us if you want to change your PCP.

How many times can I change my/my child's Primary Care Provider?

There is no limit on how many times you can change your or your child's Primary Care Provider. You can change Primary Care Providers by calling us toll-free at **1-888-887-9003** or writing to us at:

UnitedHealthcare Community Plan
2950 North Loop W., Suite 200
Houston, TX 77092-8843

When will my Primary Care Provider change become effective?

The PCP change will become effective the day following the change. Reasons you might change your PCP:

- You have moved and you need a PCP that is closer to your home
- You are not happy with your PCP

Are there any reasons why a request to change a Primary Care Provider may be denied?

- You asked for a PCP who is not part of the UnitedHealthcare Community Plan health plan
- You asked for a PCP who is not accepting new patients because he or she is seeing too many patients

Can a Primary Care Provider move me to another Primary Care Provider for non-compliance?

Yes, if your PCP does not feel you are following his/her medical advice or if you miss a lot of appointments, the doctor can ask you to see another doctor. Your PCP will send you a letter telling you that you need to find another doctor. If this happens, call Member Services at **1-888-887-9003.** We will help you find another doctor.

Did you know that you might be able to pick your own health care giver?

UnitedHealthcare Community Plan can help you manage your home services

Consumer Directed Services (CDS) is a program for people with attendant/provider services. With this program, you find, hire and train your attendant/provider. You also review the budget for the services. You decide how much to pay your attendant. You decide how much to spend for the supplies and equipment you need. You can pick the person to handle the services for you. If you pick this program, an agency will teach you what to do. The agency will also handle the payroll for your services.

If you pick the CDS choice, you are the employer. You can hire, fire and manage your own health service providers. This can include your attendant(s), back-up attendant(s), in-home and out-of-home respite providers, habilitation providers. You have control over how your program funds are spent on salary and benefits for your employee(s). You pick a CDS agency to manage fiscal services for you. As an employer, you need to arrange payment of employment taxes. You need to pay your employees from your program funds. Your CDS agency will offer this service for you.

Why would I want to pick CDS?

When you hire your own employees, you can often find people you prefer to work for you. Within your allotted service budget, you can set your employees' wages and benefits. You can hire back-up employees for times when your regular employees cannot work. You can give benefits, such as vacation days and bonuses. You pick a CDS agency (CDSA) to do your payroll and federal and state taxes.

How does CDS work?

You pick the Consumer Directed Services Administrator (CDSA) to do your payroll and act as your agent to pay taxes. The CDSA helps you set up a budget. In some programs, the CDSA offers guidance on recruitment, salaries, benefits and administrative costs.

Which services can be self-directed in which programs?

Program	Services
STAR+PLUS Waiver Program (formerly known as Community Based Alternatives)	Personal Assistance Services, Respite, Physical Therapy, Occupational Therapy, Speech/Hearing Therapy
Primary Home Care/Community Attendant Services	Personal Assistance Services

Contact your UnitedHealthcare Community Plan Service Coordinator to help you pick the best choice. He or she can tell you what services you can get. Call **1-888-887-9003** or TDD/TTY **7-1-1** for hearing impaired.

¿Sabía que quizás pueda escoger a su propio proveedor de atención médica?

UnitedHealthcare Community Plan le puede ayudar a administrar los servicios en casa

Servicios Administrados por el Cliente (CDS) es un programa para personas que reciben servicios de un ayudante o un proveedor. Con este programa, usted busca, contrata y da capacitación al ayudante o proveedor. También revisa el presupuesto de los servicios y decide cuánto pagar al ayudante. Usted decide cuánto gastar en los artículos y el equipo que necesita. Puede escoger a la persona que se encargará de los servicios. Si usted escoge este programa, la agencia lo capacitará en lo que tiene que hacer. La agencia también se encargará de la nómina de los servicios.

Si escoge la opción CDS, usted es el empleador. Puede contratar, despedir y administrar a sus propios proveedores de servicios de salud. Entre ellos, el ayudante, el ayudante suplente, los proveedores de servicios de relevo dentro y fuera de casa y los proveedores de habilitación. Usted controla cómo se gastan los fondos del programa para los sueldos y los beneficios de los empleados. Usted escoge a una agencia de CDS para manejar los servicios fiscales para usted. Como empleador, usted tiene que hacer arreglos para pagar los impuestos de empleador y pagar a los empleados con los fondos del programa. Su agencia CDS le ofrecerá este servicio.

¿Por qué me beneficia escoger a CDS?

Cuando usted contrata a sus propios empleados, a menudo puede emplear a las personas con quienes prefiere trabajar. Dentro del presupuesto de servicio designado, puede fijar los sueldos y beneficios de los empleados. Puede contratar a empleados suplentes cuando los empleados que normalmente contrata no pueden trabajar. Puede dar beneficios, como días de vacaciones y bonificaciones. Seleccionará a una agencia CDS para que haga la nómina y los impuestos federales y estatales.

¿Cómo funciona CDS?

Usted selecciona la Agencia de Servicios Administrados por el Cliente (agencia CDS) que procesará la nómina y actuará como su agente para el pago de impuestos. La agencia CDS le ayuda a establecer un presupuesto inicial. En algunos programas, la agencia CDS le orienta en el reclutamiento, los sueldos, los beneficios y los costos administrativos.

¿Cuáles servicios pueden ser administrados por el cliente en ciertos programas?

Atención Esencial en Casa/Servicios de un ayudante en la comunidad	Servicios de ayudante personal

Comuníquese con el coordinador de servicios de UnitedHealthcare Community Plan para que le ayude a hacer la mejor selección. Le dirá cuáles servicios puede recibir. Llame al **1-888-887-9003** o a la línea TDD/TTY **7-1-1** para personas con problemas de la audición.

¿Cuáles beneficios extras puede obtener un miembro de UnitedHealthcare Community Plan?
