How to use this directory

Choosing a Primary Care Physician (PCP)

Apple Health members need a primary care provider (PCP). There are several types of PCPs in this directory. Each covered family member may choose a different PCP in UnitedHealthcare Community Plan. Except in an emergency, your PCP and staff will give or manage all your health care. This includes referrals to specialists. PCPs may be family or general practitioners, internists, pediatricians, or other providers approved by UnitedHealthcare Community Plan.

Changing your PCP

If you want to change your PCP, call Member Services. They will help you pick a new PCP. You may change your PCP during the year. You may also contact a provider to find out if the provider contracts with UnitedHealthcare Community Plan. When you call, be sure to mention UnitedHealthcare Community Plan. Ask if the provider is taking new patients.

Seeing another doctor or specialist

Your PCP might want you to go to a specialist. A specialist is a doctor who treats a special problem, like a dermatologist or a heart doctor. Your doctor will help you find the right specialist. If you have a complex illness, you may need to see the specialist many times. You may see your specialist as often as needed. If you have complex care needs, a specialist can be your PCP. If you need this, call Member Services. We will help you find a specialist who can meet your needs.

Gender Affirming Treatment

We cover primary care, hormone therapy, speech therapy, and mental health services. If you need assistance accessing one of these services, contact your plan to request a list of providers. The number can be found on the back of your member ID card.

Other gender-affirming treatments are covered directly by Apple Health fee-for-service and not by your managed care plan. To find a list of providers for other gender affirming treatments, including surgeries and hair removal, email applehealth.transhealth@hca.wa.gov.

You can find more information about Apple Health transhealth benefits online at the Transhealth program webpage: <http://www.hca.wa.gov/transhealth>.

Women's health care services

If you are female, you may want to see a provider in our network who offers women's health care. You can get these services from an in-network women's health care provider without a PCP referral.

These women's health services are covered without a PCP referral or health plan preauthorization:

- Maternity care, including prenatal, delivery, and postnatal care
- Routine gynecological exams
- Examination and treatment of disorders of the female reproductive system
- Other health problems treated during a woman's health care visit, if the treatment is within the provider's scope of practice and the service is not excluded

If you need to see a women's health provider who is not in our network, you must get a referral from your PCP.

Telehealth

Telemedicine appointments may be available through your provider including video or audio-only services via phone permitting real-time communication between the patient and healthcare professional for the purposes of diagnosis, consultation, or treatment. Please contact your provider to determine what telemedicine services may be available.

Beginning January 1, 2023 for audio-only telemedicine services, the covered person must have an established relationship with the provider or has been referred by another provider who has had at least one in-person appointment within the past three years for behavioral health treatment and two years for medical treatment, or at least one real-time interactive appointment using both audio and video technology until July 1, 2024 (July date only applies to medical treatment).

Behavioral health services

As a UnitedHealthcare Community Plan member, you're eligible for behavioral health services, including mental health and substance use disorder treatment services. Mental health providers are listed in this provider directory. They can help you with personal problems that may affect you and/or your family. These problems may be stress, depression, anxiety or using drugs or alcohol.

Apple Health members get behavioral health or substance use disorder treatment services through any of the below:

- Your primary care provider (PCP)
- A Community Mental Health Center or substance use disorder agency
- Another behavioral health provider

Talk to your PCP today about any health or behavioral health problems you have. Your PCP will refer you to a behavioral health provider with UnitedHealthcare Community Plan. They can refer you to specialists, and other facilities, such as hospitals and substance use and treatment services. Your PCP will stay involved with you through the stages of recovery: Health, Home, Purpose and Community.

Apple Health members and Behavioral Health Services Only members get these behavioral health and substance use disorder benefits:

- Evaluation and assessment
- Medication management and monitoring
- Individual and group counseling
- Peer support
- Family counseling
- Substance use disorder services
- Education about mental health, treatments and medications
- Rehab case management
- Withdrawal management (detox)
- Opiate replacement treatment
- Case management
- And more

You don't need a referral from your PCP to see behavioral health specialists in your plan.

There are some treatments and services that need preapproval before you can get them. To learn more, talk to your doctor.

Out-of-network providers

You or your PCP might decide that you need to see a doctor or provider that is not in our network. Your PCP will need to call us for an okay for these services before they will be covered. This is called a Prior Authorization.

Pharmacy

For locations of pharmacies, call Member Services at **1-877-542-8997**, TTY **711**. Behavioral Health Services Only members will have access to their pharmacy benefit through their medical carrier.

What if I need medical care when I am out of town?

We will pay for routine care out-of-area only if:

- You need to obtain family planning services. You can self-refer to in-network or out-of-network providers.
- You call your PCP first and he or she says that it is important that you get care before you return home
- Your PCP must then call us to get approval
- If you do not speak to your PCP before you get routine care when you are away from home, you may have to pay for care yourself. If you cannot reach your PCP, call Member Services.
- Any doctor you see must agree to accept Washington Medicaid payment as payment in full

This means if you or your family members are on vacation and need routine care, we will pay only if you get our approval first. If you need emergency care when you are out of town, go immediately to the nearest Emergency Room (ER) or urgent care facility. You do not need a referral from your PCP. Call your PCP as soon as you can after getting ER or urgent care services.

No medical coverage outside of the United States

Any health care services you get while out of the country will not be covered by UnitedHealthcare Community Plan. Medicaid cannot pay for any medical services you get outside of the United States.

Language help

We can give you member materials in a language or format that is easier for you to understand. We have interpreters if your doctor does not speak your language. This is free when you talk to us or your doctors. If you do not speak English and need help, call Member Services at **1-877-542-8997**, TTY **711**.

Emergency care

In an emergency, you do not need a prior authorization. Call 911 or go to the nearest emergency room. You can get emergency care 24 hours a day, 7 days a week.

Reporting incorrect information

To report incorrect information, email **provider_directory_invalid_issues@uhc.com**.

This email is for members to report potential inaccuracies for demographic (address, phone, etc.) data elements identified on the online or paper directories. Reporting issues via this email will result in an outreach to the provider's office to verify all directory demographic data.

Providers should go to **UHCprovider.com/portal** to use the My Practice Profile tool in the UnitedHealthcare Provider Portal under the Practice Management drop-down. Contractual issues should be addressed through your UnitedHealthcare Network contact at **UHCprovider.com/contactus**.

Как пользоваться этим справочником

Выбор основного лечащего врача (Primary Care Physician, PCP)

Участники Apple Health должны выбрать основного лечащего врача (primary care provider, PCP). В справочнике указаны несколько типов PCPs. Каждый член семьи, медицинские услуги которого покрываются планом, может выбрать другого PCP в рамках плана UnitedHealthcare Community Plan. За исключением экстренных ситуаций ваш PCP и персонал будут предоставлять вам медицинское обслуживание или управлять им. Это также включает в себя направления к специалистам. PCPs могут быть семейными врачами или врачами общей практики, терапевтами, педиатрами или другими поставщиками, утвержденными планом UnitedHealthcare Community Plan.

Как сменить PCP

Если вы хотите сменить PCP, позвоните в отдел обслуживания участников. Они помогут вам выбрать нового PCP. Вы можете сменить PCP в течение года. Вы также можете связаться с поставщиком, чтобы узнать, заключил ли поставщик договор с планом UnitedHealthcare Community Plan. Во время разговора по телефону не забудьте упомянуть план UnitedHealthcare Community Plan. Спросите, принимает ли поставщик новых пациентов.

Посещение другого врача или специалиста

Ваш PCP может попросить вас обратиться к специалисту. Специалист — это врач, который занимается особыми проблемами, например, дерматолог или кардиолог. Ваш врач поможет вам найти подходящего специалиста. Если у вас сложное заболевание, возможно, вам придется неоднократно посещать специалиста. Вы можете посещать специалиста так часто, насколько это необходимо. Если вам требуется комплексная помощь, вашим специалистом может быть PCP. Если она вам потребуется, позвоните в отдел обслуживания участников. Мы поможем вам найти специалиста, который сможет удовлетворить ваши потребности.

Лечение с учетом гендерных особенностей

Мы оказываем первичную медико-санитарную и психиатрическую помощь, а также проводим гормональную терапию и лечение дефектов речи. Если вам нужна помощь в получении одной из этих услуг, свяжитесь с контактным лицом по своему плану, чтобы запросить список поставщиков. Номер телефона можно найти на обратной стороне идентификационной карты участника.

Прочие лечебные процедуры с учетом гендерных особенностей оплачиваются непосредственно Apple Health, а не за счет вашего плана регулируемого медицинского обслуживания. Чтобы получить список поставщиков услуг по другим видам лечения с учетом гендерных особенностей, включая операции и удаление волос, отправьте сообщение по адресу applehealth.transhealth@hca.wa.gov.

Дополнительную информацию о льготах transhealth Apple Health можно найти на веб-странице программы Transhealth: <http://www.hca.wa.gov/transhealth>.

Свяжитесь со своим поставщиком услуг для получения информации о доступных телемедицинских услугах.

Начиная с 1 января 2023 года, для получения телемедицинских услуг в формате аудиосвязи застрахованное лицо должно иметь сложившиеся отношения с поставщиком услуг или направление от другого поставщика услуг, у которого состоялся хотя бы один очный прием за последние три года в связи с лечением нарушений в области поведенческого здоровья и два года в связи с терапевтическим лечением, или хотя бы один интерактивный прием в режиме реального времени с одновременным использованием аудио- и видеотехнологий до 1 июля 2024 года (дата в июле касается только медикаментозного лечения).

Медицинские услуги, связанные с поведенческим здоровьем

Этими проблемами могут быть стресс, депрессия, беспокойство, употребление наркотиков или алкоголя.

Участники Apple Health получают услуги по лечению поведенческого здоровья или расстройств, связанных с употреблением психоактивных веществ, через один из указанных источников:

- основной лечащий врач (primary care provider, PCP);
- районный центр психического здоровья или агентство по лечению расстройств, связанных с употреблением психоактивных веществ;
- другие поставщики услуг по охране поведенческого здоровья.

Поговорите со своим PCP сегодня о любых проблемах со здоровьем или поведенческих проблемах. Ваш PCP направит вас к поставщику услуг по охране поведенческого здоровья от плана UnitedHealthcare Community Plan. Они могут направить вас к специалистам и в другие учреждения, такие как больницы, службы лечения расстройств, связанных с употреблением психоактивных веществ. Ваш PCP будет поддерживать вас на всех этапах выздоровления: здоровье, дом, цель и сообщество.

Поставщики, не входящие в сеть плана

Вы или ваш PCP можете решить, что вам нужно обратиться к врачу или поставщику услуг, не входящему в нашу сеть. Ваш PCP должен будет позвонить нам, чтобы получить разрешение на эти услуги, прежде чем они будут покрыты страховкой. Это называется предварительным разрешением.

Аптеки

Для того чтобы узнать расположение аптек, позвоните в отдел обслуживания участников по телефону **1-877-542-8997**, линия TTY **711**. Участники плана Behavioral Health Services Only будут получать фармацевтические льготы через свою медицинскую страховку.

Что делать, если я не в городе и мне понадобится медицинская помощь?

Мы оплатим плановую медицинскую помощь за пределами сети плана только в том случае, если:

- Вам необходимо получить услуги по планированию семьи. Вы можете самостоятельно обращаться к поставщикам услуг в сети или за пределами сети.
- Вы сначала позвоните своему PCP, и он скажет, что вам важно получить медицинскую помощь до вашего возвращения домой.
- Затем ваш PCP должен позвонить нам и получить разрешение.
- Если вы не поговорите с PCP до того, как получите плановую помощь, находясь вдали от дома, вам, возможно, придется оплатить лечение самостоятельно. Если вы не можете дозвониться PCP, позвоните в отдел обслуживания участников.
- Любой врач, которого вы посещаете, должен согласиться принять платеж Washington Medicaid в качестве оплаты в полном объеме.

Это означает, что если вы или члены вашей семьи находитесь в отпуске и нуждаетесь в плановой медицинской помощи, мы оплатим ее только в том случае, если вы сначала получите наше согласие. Если вам нужна экстренная медицинская помощь, когда вы находитесь за городом, немедленно обратитесь в ближайшее отделение экстренной медицинской помощи (Emergency Room, ER) или учреждение неотложной помощи. В этом случае получать направление PCP не требуется. Позвоните своему PCP как можно скорее после получения экстренной или неотложной помощи.

За пределами США страховое покрытие не осуществляется

Любые медицинские услуги, получаемые за пределами страны, не будут покрываться планом UnitedHealthcare Community Plan. Medicaid не может оплачивать какие-либо медицинские услуги, которые вы получаете за пределами США.

Помощь с переводом

Мы можем предоставить вам материалы для участников на языке или в формате, который вам будет легче понять. У нас есть устные переводчики, если врач не говорит на вашем языке. Общение с нами или с вашими врачами бесплатное. Если вы не говорите по-английски и вам нужна помощь, позвоните в отдел обслуживания участников по телефону **1-877-542-8997**, линия ТТУ **711**.

Экстренная медицинская помощь

В экстренных случаях предварительное разрешение не требуется. Позвоните по телефону 911 или обратитесь в ближайшее отделение экстренной медицинской помощи. Вы можете получить экстренную медицинскую помощь круглосуточно и без выходных.

Сообщение о неверной информации

Чтобы сообщить о неверной информации, напишите на адрес **provider_directory_invalid_issues@uhc.com**.

Этот адрес электронной почты предназначен для участников, чтобы они могли сообщать о потенциальных неточностях в демографических данных (адрес, телефон и т. д.), обнаруженных в онлайн-каталогах или бумажных справочниках. При сообщении о неточностях через этот адрес электронной почты будет сделано обращение в учреждение поставщика для проверки всех демографических данных.

Физические лица также могут сообщать о возможных неточностях по телефону. Участникам плана UnitedHealthcare Community Plan следует звонить по телефону, указанному на обратной стороне идентификационной карты участника. Лица, не являющиеся участниками плана UnitedHealthcare Community Plan, могут звонить по телефону **1-888-638-6613**.

Поставщикам следует перейти на веб-страницу **UHCprovider.com/portal**, чтобы воспользоваться инструментом My Practice Profile на портале UnitedHealthcare Provider Portal в раскрывающемся списке Practice Management. Вопросы, связанные с контрактами, следует решать через контактное лицо в сети UnitedHealthcare: **UHCprovider.com/contactus**.

Описание списков поставщиков

Далее приведены примеры списков поставщиков и больниц:

- 1. Профессиональная сертификация** Профессиональная сертификация свидетельствует об экспертных знаниях врача по медицинской специальности. Сертификация включает в себя процесс тестирования и оценки специалистами в конкретной области медицины. Специалист с профессиональной сертификацией участвует в непрерывном образовании, чтобы узнавать о последних достижениях в области медицинской науки и технологий по своей специальности. Вы можете проверить профессиональную сертификацию поставщика на веб-сайте Американского совета медицинских специалистов (American Board of Medical Specialists, ABMS). Перейдите на веб-сайт www.abms.org и нажмите Is Your Doctor Certified? (Сертифицирован ли ваш врач?)
- 2. Языки**, которыми владеет поставщик, кроме английского.
- 3. Список больниц**, услуги которых использует поставщик.
- 4. Ограничения**, касающиеся приема больных. В примере имеется пометка «Группа закрыта» (т. е. врач не принимает новых пациентов).
- 5. Инвалидная коляска** – буква **W** означает, что поставщиком обеспечен доступ инвалидам-колясочникам.
