**If a customer did not submit any missing P2/D1 data to CMS, what is the consequence (e.g., they did not complete and submit the information requested by UHC/UMR in the request for information)?**

UHC/UMR cannot comment on any fines/penalties. We suggest, in this case, the customer email CMS directly at **CMS\_FEPS@cms.hhs.gov**.

**What was submitted?**

Confirm which P2 or D files were submitted as noted in the RxDC Guide.

**Can brokers/consultants/customers receive copies of what UHC/UMR submitted to CMS?**

UHC/UMR will not provide copies of the data to external customers.

**Was the narrative submitted for my customer?**

Narratives are completed by UHC/UMR for the data submitted. We do not provide copies of the narrative.

**Where can I ask CMS-specific questions?**

Refer to the [CMS RxDC website](#) with any CMS questions.
