

Updates to your Prescription Drug List

2024 Individual & Family plans

Effective as of June 1, 2024

We are giving you more options to treat your condition by adding more medications to the Prescription Drug List (PDL).

When making changes, we consider a medication's overall value, which is based on factors such as a medication's effectiveness, safety, cost and the availability of alternative medications to treat the same or similar medical condition.
